Senior Men's Field Lacrosse Championships

April 8 - 10, 2005 - Mercer Stadium, New Westminster, BC

The 2005 Senior Men's Field Lacrosse Provincials were played in honour of a special person who was an advocate of field lacrosse. Ted Fridge was looked upon as our leader who gave us the direction to follow in order to maintain semblance of a solid men's league. His support for field lacrosse will never be forgotten. We will always remember the man who came to the field early, brought equipment for players, kept the score and time and would come back the week after and do it all over again.
